for
EASTERN DISTRICT OF NORTH CAROLINA
WESTERN DIVISION

U.S.A. vs. Clifford Hansford

Docket No. 5:01-CR-235-1H

Petition for Action on Supervised Release

COMES NOW Debbie W. Starling, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Clifford Hansford, who, upon an earlier plea of guilty to three counts of Bank Robbery, in violation of 18 U.S.C. § 2113(a), was sentenced by the Honorable Malcolm J. Howard, Senior U.S. District Judge, on November 13, 2002, to the custody of the Bureau of Prisons for a term of 151 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall abstain from the use of any alcoholic beverages, shall not associate with individuals consuming alcoholic beverages, shall not frequent business establishments whose primary product to the consumer is alcoholic beverages, and shall not use any medication containing alcohol without the permission of the probation office or a prescription from a licensed physician.
3. The defendant shall participate in a program of mental health treatment, as directed by the probation office.
4. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
5. The defendant shall cooperate in the collection of DNA as directed by the probation officer.

The defendant remains in custody at this time with an anticipated release date of August 30, 2012.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS: During the course of the defendant's pre-release investigation, it was determined that the defendant was convicted of Second Degree Rape in 1980, received a 35-year imprisonment sentence, and was discharged in 1994. He was also arrested for two other instances of Second Degree Rape/Second Degree Sexual Offenses. Additionally, the defendant has been diagnosed with numerous mental disorders to include Sexual Sadism. Given his history of sex offenses as well as his sexual sadism disorder, it is respectfully recommended that his conditions of release be modified to include that he abide by the rules and regulations of this district's Sex Offender Program, register as a sex offender if required, and in addition to the standard search condition, consent to a search of his papers, computers, and any other electronic communication or data storage devices (and effects).

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall participate in mental health/sex offender treatment, evaluation testing, clinical polygraphs and other assessment instruments as directed by the probation officer. While under supervision in the Eastern District of North Carolina, the defendant shall further abide by the rules and regulations of the NCE Sex Offender Program.
2. The defendant shall comply with the registration requirements of the Sex Offender Registration and Notification Act of 2006, as directed by the Bureau of Prisons and the probation officer.
3. The defendant shall submit to a search of his person, house, residence, vehicle, papers, computer, other electronic communication or data storage devices or media, and effects at any time, with or without a warrant. The search may be conducted by any law enforcement officer or probation officer with reasonable suspicion concerning a violation of a condition of supervision or unlawful conduct by the person, and by any probation officer in the lawful discharge of the officer's supervision functions.
